

Opt-out Spring Student Showcase Form Due January 31

By signing below, I or my child have decided not to perform in the Spring Student Showcase.

We understand that if we stay in the class(es) that we currently are registered for and it is a performing class that the class will rehearse their dance during class time.

If I stay in the class, I understand that the teachers will do the best they can to make me or my child feel included in the class.

I know that I have the option to change to a non-performing class.
